

Life Does Not Get Better By Chance!... It Gets Better By Change...

Rene ~ Power Of Soul

**" The Picture Above... Shows How Your Mind...
And Your Reality... Truly Operates!" - Its All You!**
And This Is How You Create Your Reality!... From Moment To Moment!
When You Remove All Negative Ideas / Definitions From Your Mind?
Then You Won't See Them In Your Vision Anymore!
For Your Mind Is The Projector! ~ And Your Reality Is The Screen!

*W*e each see the world... the exact way that we feel about ourselves....

And that is typically based on what we believe about ourselves. ~ Thus if you are constantly perceiving / witnessing / or experiencing negativity in your life? ~ Then that is a direct reflection... of three things.

- 1.) What you think you are?
- 2.) What you believe / Imagine / understand about the world?
- 3.) And what you imagine, that you are truly capable of / your highest potential.

~ Thus unconditionally loving yourself... and resolving all ideas, and beliefs about yourself... that are negative view points?

~ Will naturally dissolve all inner conflict, self frustration, & negativity.

~ Because the reality we see within us... is a mirror of our own soul.

~ In Real time!

How to purify your mind of negative idea, / illusions / and un-needed information... that no longer serves you!

Do you think that real magicians... while are performing on stage.. wonder or hope!... If their magic will work!? ~ Nope! ~ They make it happen! ~ Your life is very much similar... For If your life... is not currently going in the direction, that you would like it to go!? ~ It will not just magically start to work for your benefit one day! ~ If you are not changing anything...and are not confident in yourself! ~ Much like the stage magician... who is not even confident in his own methods in a live act on stage! ~ His act will inevitably be a disaster!

Your life is no different... you must assume yourself into the sole position of power
~ responsibility, and creativity in your life!
~ You must create your own magic!...your own wellness!...your own joy!... each day!... and each moment!... by direct experience and practice!....This must be of interest to you.... for this results in long term benefits! ~ Not a quick short term temporary band aid... That fades away like a fleeting moment of happiness... just as fast as it had arrived!

When we were children... we had fantastic imaginations... and we used them to make ourselves happy!... and joyful! ~ We created worlds of Fantasy! ~ Magic! & True Wonder!
~ However... as time moved on...and experiences were gained from exposure to this society!?... Your imagination became corrupted by dark stories and negative ideas!
~ from family! ~ friends! ~ television!
~ internet! ~ news! ~ movies! ~ fears!
~ traumas!....etc... etc!

It was at this point, that your childlike magical infinite loving imagination.... seemed to disappear from your reality!... Then you found yourself stuck in a dark world... forced to listen to dark thoughts in your mind! ~ Your imagination became dark, full of lies, assumptions, confusion, frustration, and distortions!... Then your true natural joy vanished!

What Are Negative Feelings!?

Negative feelings... come from... illogical beliefs and ideas... that are not in alignment with your true self! ~ Your true self ...
Unconditional Acceptance & Love!
~ Unlimited Personal Freedom! ~ and
Unlimited Unique Creativity!

You must now reverse this process to become whole again... You must let go of all the darkness in your imagination... This darkness and illusion, that you let taint your brilliant soul!... Your brilliant soul that shines with total and absolute glory! ~ The immaculate glory of the eternal wisdom, endless perfection, and everlasting sunshine of the spotless mind!

The Universe will lead you to what you want!... Exactly what you want!

However! ~ "You cannot have any contradictions in what you want!... This means (any doubt or opposing beliefs!)" ~ This is why most cannot seem to manifest their desires!... Because they have doubts, or opposing beliefs... that it can't, actually happen!

We must mould ourselves step by step, with our imagination... in order to be... what we want to be... or achieve, what we want to achieve! ~ We will not just suddenly one day be... or achieve! ~ Without the essential part of fully living the change... we want to be... to begin with. ~ May the deepest peace and wisdom, be realized within your being... each and every living moment!

Do you feel you are lacking intuition!?!... Spiritual clarity!?!... Emotionally Drained all the time!?! ~ Would you like to access your higher super powers & higher wisdom!?!?

How intuition really works!

~ The deep meaning that avoids so many!

Why intuition... and discovering our true magical super powers....avoids the masses!
~ And so many of those... on the path of personal growth / higher consciousness / enlightenment / ascension?

Intuition means ~ "Inner knowing"

That is why when you go to university.. they want Tuition Fee's ~ Which is a fancy way of saying...Knowledge Fee's! ~ Except The University offers... external knowledge... not inner knowing.

Existing in 100% Intuition... 24/7...is your true natural state of being!

The more beliefs you have about life!?!... The less intuition (inner knowing) you will experience!

I say so... because... Intuition is Instant!... and Spontaneous!... It needs to be that way... as to respond properly and accordingly... to each new unfolding moment!

Where as beliefs... are pre-conceived notions!... And we all know that Carrying a pre-conceived notion ... Does not allow for spontaneous Wisdom, Intuition, or Inner knowing to appear into your reality!... For you have already, made up your mind!
~ Before encountering any situation!...
As to what that moment / situation means!... And how reality already works!

Many have already convinced themselves... that they know how reality works!... Thus they have destroyed all Instant and Spontaneous Wisdom, Intuition, and Inner knowing, to appear into their reality!
~ Humanities arrogance in thinking it knows... how reality works... and defending that narrow minded position! ~ Prevents life itself / creation / god / source / the higher power / your guides / from showing you its unbelievable! ~ immaculate! ~ beautiful! ~ eternal! ~ truth!.. each and every moment!

A great portion of humanity... has never even taken 60 secs of time...in their entire lives!
~ To honestly investigate how their "own" mind works! ~ And this is the very same beautiful mind!... that one uses to navigate one very own precious life with!.. And makes day to day decisions with!

When you let go of all of your beliefs, pre-conceived ideas, labels, and descriptions that you hold onto ... about life itself!... and everything contained within!?

Then a world of infinite magical paradise will open up... literally right before your eyes!
~ And within you! ~ You are literally infinite!
~ And behind your limited beliefs... Is where you truly really exist!

**YOU ARE A BRILLIANT
INTER-DIMENSIONAL COSMIC /

~ YOU ACCEPT ALL OF LIFE! ... AS
YOUR INFINITE TRUE SELF / THE
CREATORS INFINITE AWESOME
CREATION!**

From all of my writings... never believe a word I write... or say. ~ Only take what resonates with you... And discard the rest. ~ Never take anything I say personally... because I am not talking to you! ~ I am talking to the universe... and only those... to whom my messages resonate with!

~ Thank you... for allowing me to share with you!

Beautiful Loving Peace! ~ Is Always with
